- **Open Office Hours:** With the “Safe-at-Home” request by the governor changing how we conduct meetings I wanted to make sure that we stay connected as a program. Below is a copy of my email that I sent out in 4-H Online.

Hello Everyone!

I want to hear from you! I am holding open office hours on zoom to give members and parents from both counties a chance to connect with me. This is an opportunity to drop in and chat, ask me questions or event just try out zoom if you are curious about the platform. I will be available during the whole time so stop in when you have time. This will be a weekly meeting on Wednesdays at 1 pm. I know this time does not work for everyone but if you are interested in meeting up with me I can schedule a separate meeting for us.

Below is the meeting information. I highlighted the parts that you will need to connect. If you want to connect by computer simply click on the link. If your internet connection is not the best you can call in using the number below. Either way you will be able to participate. Let me know if you have questions before you connect. I look forward to seeing everyone!

Andrea Rippley is inviting you to a scheduled Zoom meeting.
