JACKSON AND TREMPEALEAU COUNTIES 4-H NEWSLETTER

Summer Programing, Registration Open:

Registration is open for both Cloverbud Day Camp and Garden Day Camp! You can find registration on 4-H Online.

CWF Registration:

Citizenship Washington Focus, or CWF for short, is the premier week-long 4-H citizenship and leadership experience. CWF brings 4-H delegations from all over the country to stay in Washington D.C., our Nation's Capital! Participants learn about the roles of Senators and Representatives in the United States government and how these parts work together to form an effective Congress. Additionally, youth get to see and experience government inaction by meeting with their State's members of Congress and watching a House of Representatives meeting. Delegates also participate in various educational workshops such as:

Citizenship Toolbox: By exploring what it means to be a good citizen, delegates identify their own skillset to become active citizens and leaders in their communities back home.

Congressional Issues: Delegates will have open discussions with different perspectives on real national issues in the government today.

Bill Writing: Delegates learn the process of writing a bill in the House of Representatives and then write one of their own. They then will hold a mock House of Representatives meeting where they will discuss and either pass or deny said bills.

Action Planning: By combining all of the skills they have learned at CWF, the entire delegation will discuss what issues are prominent in their communities. They will then develop a plan to take back and implement positive change in their hometowns.

These are just a couple of the activities delegates will participate in. Delegates will also get the opportunity to tour our Nation's Capital and experience the culture that comes with it. After completing the CWF program, they will have stronger knowledge about being an active citizen and our government. They will also have the opportunity to discover new skills and be exposed to different perspectives and cultures from around the U.S. On top of all this, it gives delegates another opportunity to bond and network with other 4-Hers from Wisconsin and beyond. We hope to see you participating in CWF in the near future!

YQCA:

Youth for the Quality Care of Animals or YQCA is now opening up for the year. This program is required for these Jackson County exhibits:

- Dairy
- Beef
- Swine
- Sheep
- Goat
- Poultry
- Rabbits
- Llama
- Alpaca
- Exotics

If you plan to exhibit these at the Trempealeau County fair, you will need to complete YQCA:

- Dairy Basket
- Market Beef
- Market Swine
- Market Sheep
- Market Goats
- Market Poultry
- Markey Rabbits

This year I will have two in-person YQCA dates available for members to attend. Registration for these sessions can be found here:

<https://yqcaprogram.org/>

With the updated of the YQCA website that changes how you can register for sessions. You will have to create a new profile. If you need help with navigating the website, please email help@yqcaprogram.org.

In order to get credit for attending a session you will have to create a profile for the session you attended. If you are looking for my Arcadia session search “Trempealeau County YQCA”. It was held on March 26th but the date on the session will be March 30th.

Jackson County’s session is called “Jackson County YQCA” search for that when you are registering for it. I can no issue certificates unless you have created a profile, registered, and attended a session. You can register for my in-person session after you have attended it.

You can email your certificates to Tami in Trempealeau County and Julie in Jackson County.

VIP Training:

VIP or Volunteers in Preparation training is for anyone who wants to work with youth one-on-one and teach sessions like a project or club leader. If you have signed up to be a volunteer in 4-H Online and I have not approved you yet, it might be because of this. Look for this symbol. This symbol means that you must complete either VIP or mandated reporter training. The mandated reporter is an online course in 4-H Online that you can complete on your own time. VIP, however, has to be taught

by either myself or another educator virtually or in person. This training covers many topics on creating a safe environment for youth and takes about 90 minutes.

I prefer to do VIP training on weeknights in September-April because the rest of the year gets pretty busy for everyone, especially in the summer.

Want more information about VIPs? E-mail me! I would be happy to answer your questions!

Andrea.ripple@wisc.edu

Watch for the training in this section of the newsletter.

Upcoming VIP Dates:

May 3rd, 6 p.m. at the Jackson County Extension Office

Where is My Newsletter?

I often get this question: “Can I be added to your newsletter list?”. To get added to our mailing list, you can do a couple of things; enroll or re-enroll in 4-H Online. This is where I pull my lists from. Before sending out large emails, I update this list so you will be on the list as long as you re-enroll. Please check your SPAM folder if you have enrolled in 4-H Online but have not seen an email lately. I switched email systems to avoid this issue, but I need your help. This will help make you stay connected and informed!

Jeff's Service Support:

Last month, we heard the news that Jeff's Service, a Trempealeau County 4-H Program supporter, suffered from a fire that destroyed his business. If you are new to the 4-H program in Trempealeau County and are trying to connect the dots, here is an explanation. Jeff's Service donates the water bottles we sell at the 4-H food stand every year. Every year, this is an appreciated donation, so the fire news has left us sad.

The Leader's Association is looking to send thank you cards to Jeff thanking him for his support of the program; that's where you come in! Please take a second out of your busy day to send Jeff a thank you card. Please send them to the Extension Office at this address:

Extension Trempealeau County
Government Center
36245 Main Street, PO Box 67
Whitehall, WI 54773-9449

If you need thank you cards let Andrea know. Many in the Extension office can be picked up.
