Club Leader Corner

Jackson and Trempealeau Counties 4-H Newsletter

Welcome to Club Leader Corner!

This new addition to the newsletter is to bring resources to the clubs! Check out some of the available resources!

Clover Connections:

Clover Connections is a video series that is available on YouTube. Educators from Wisconsin 4-H have put together a series about running meetings and many other details that can help your club run smoothly! This is an excellent resource for new and experienced club leaders! Some videos were filmed during Covid, but the information is still relevant! Check them out at the link below!

https://www.youtube.com/playlist?list=PLWYkTfJ_LDJbQxoDTzctjb3emV956zvO7

Club Administration Resources:

Here are some great resources for leaders who need guidance with club administration! You will find information on Bylaws, Financial Tools and Resources, 4-H Online, and Forms.

Bylaws are super important to all clubs and groups! If your club has lost its bylaws or wants to create new ones, check out the new bylaws template! This is a project I have been working on for over a year with other educators to help support community clubs! We only have one geared toward Community Clubs, but we will soon have one for Project Groups and Leaders Associations.

Financial Tools and Resources Money Management resources and financial policies. If you want to touch on these details, feel free to check them out!

4-H Online, here are some resources to help you navigate 4-H Online. There is a resource library to help you use the program.

Be sure to check out these at this link:

<https://4h.extension.wisc.edu/opportunities/start-here/4honline-for-families/>

Charter Updates and Workshops:

As the 4-H year comes to a close, we are looking at charters and the new 4-H year. Charters are due to the **Extension office on November 1st**. Here is a link to the updated version:

<https://4h.extension.wisc.edu/resources/volunteer-esources/administrative/charter/>

With some new club leaders this year and the updates with the charters, I have one, Charter Workshops, that club leaders can attend. The first one is on **September 22nd, from 6-8 pm at the Jackson County UW Extension Office**. There will not be registered for these workshops but I will give you time to work on your charter and ask questions.

Another part of the Chartering process is the Annual Financial Report. This summarizes clubs checking and saving accounts for the entire year. These are due to the Extension Office on **September 1st**. There are a couple of critical pieces that need to be included with the annual financial report each year:

1. [Annual Financial Report](#)
2. [Checklist](#)
3. A copy of the bank statement ending on June 30 or July 1st for EACH account.
4. A current inventory of any land, buildings, property, or project equipment with individual values of \$1000 or greater. This is a good way to keep track of things your club has purchased and has a record is.
5. Monthly Treasurers reports for 4-H Clubs or Groups with annual income greater or equal to \$20,000.

At first glance, this may seem like a lot of paperwork, but this is how our clubs and groups keep their tax-exempt status. Failure to complete this will result in a loss of tax-exempt status. This will be covered during the Charter Workshop, so please bring questions and your treasurer's paperwork!

Charters and Annual Financial Reports are how clubs plan out their year, audit their finances, and report how they used their funds the year before. If you have questions about them, please let Andrea know!

Fall Forum:

Mark your calendars for Fall Forum! This is an excellent opportunity for youth leaders and club leaders to gain more leadership skills and network with members from around the state!

Camp Photos:

Check out some pictures from 4-H Camp! It was a jam-packed day and felt just like camp! Next year we will be having overnight camp at YMCA Camp Pepin! We have not picked dates yet, but we are looking at June dates. Keep an eye on the newsletter for upcoming dates! Check out some pictures from the fun day!

WI 4-H Horse Leadership Conference:

Are you in the Horse Project and want to learn more? Mark your calendar for the weekend of November 12-13th at UW River Falls!

Clover College Session Sign Up:

It is time to start thinking about Clover College! I am currently working with the Blair-Taylor School district to host on October 22nd. As we plan this event, we will need sessions for youth K-8th grade. They can be anything! I have created a Google Form to help capture ideas and materials required for this event. I do not have anyone willing to do a session yet. I would like to have the registrations out for the beginning of the school year. That does not give us much time. If you have a session in mind, please fill out the google form! This will help me find other sessions to fill in the gaps.

Here are some details to consider when planning your sessions:

- Age of participants
 - What are you comfortable teaching?
 - Will you need a helper for that day?
- Space you will need
 - Will you need access to a sink during your lesson?
- Number of participants
 - How many can take this session at once?
- Number of sessions
- Will this session have an extra cost?
 - Clover College has a low cost, but will you need to charge extra for materials? Let me know if you need help with this one.

Record Books:

Record books are due to the Extension Office on September 1st. Some club leaders have deadlines at the end of August, check with your club leader if that is the case.

If you are looking for record book pages check out these links!

National 4-H Week:

National 4- H week is **October 2-8th**. This year I want people to hear what 4-H is like from the member's perspective! In the past, we have partnered with WHTL to feature members' interviews on the radio. I want to have 20 youth call in or do an in-person interview with WHTL, which will get featured throughout the first week of October.

Who can call in? Anyone! I would love a mix of youth and adult leaders. This is a great opportunity for youth to practice their interviewing skills! It is a low-pressure interview with only Steve, WHTL employee.

4-H Re-Enrollment:

On September first, 4-H Online will go offline to prepare for the new 4-H year. If you plan to stay enrolled in 4-H for 2022-2023, you can re-enroll on **September 15th**. Enrollment is important! This is how I make mailing lists and out project members list to leaders and contact members. Please make sure to enroll members by **December 1st**. I will keep including members from last year's list until December 1st. After that, you will have to be currently enrolled to be included in any communication.

When reenrolling, please take the time to update any ways you want to receive communication. Here is a list of what I am talking about:

- Email addresses
- Any parent/guardian numbers that should be included.

Parents and guardians do not need to sign up for 4-H Online unless they want to volunteer. If you are in any of the following roles, be sure to re-enroll:

- Club leader
- Project volunteer

A general rule of thumb is that if you have access to club funds (the checkbook) or are planning to work with youth, you should become a certified 4-H volunteer. If you have any questions about this, please contact Andrea.

If you need to have, your password changed or updated, please either email or call Andrea. She can reset passwords and change your main email address in case you want it to be a different one.

WI State 4-H Dog Show:

Save the date for the WI 4-H State Dog Show - September 30th - October 2nd at the Jefferson County Fairgrounds. A huge thank you to Dane County Dog Project for hosting the shows. This will include all state dog shows - agility, obedience, showmanship, and quiz bowl. More information will be coming about registrations and what will be held on which day.

Want to Add Something to the Newsletter?

Do you have something you want in the following newsletter? Club Leaders, did you do something remarkable? Add it to the newsletter! Have your information typed and sent to andrea.ripple@wisc.edu by the **15th of the month!** Getting knowledge in by the 15th will ensure your addition is added. I will not type something up for you, so please have everything ready.

Parents and Leaders Meetings:

Parents and Leaders are looking for more members to join their meetings. There are currently open positions for re-election, so leadership opportunities are available! Do you want to see new programs in the county? Are there changes you want to see? This is the place to accomplish just that. The county programs need volunteers to

VIP Training:

VIP or Volunteers in Preparation training is for anyone who wants to work with youth one-on-one and teach sessions like a project or club leader. If you have signed up to be a volunteer in 4-H Online and I have not approved you yet, it is because of this. Look for this symbol. This symbol means that you must complete either VIP or mandated reporter training.

Upcoming VIPs:

September 28th 6-8 pm at the Jackson County Extension Office

<https://forms.gle/NzP298dW876cN1a86>

October 26th from 6-8 pm at the Jackson County Extension Office

<https://forms.gle/KFwJ88uDJm3ZUnSK7>

November 15th from 6-8 pm at the Jackson County Extension Office

<https://forms.gle/Go5yTyuqQiwMCoHx7>

The mandated reporter is an online course in 4-H Online that you can complete on your own time. VIP, however, has to be taught by either myself or another educator virtually or in person. This training covers topics like creating a safe environment for youth, insurance, what to do in an emergency, and more. It takes about 90 minutes.

I prefer to do VIP training on weeknights in September-May because the rest of the year gets pretty busy for everyone, especially in the summer.

Want more information about VIPs? E-mail me! I would be happy to answer your questions!

Where is My Newsletter?

I often get this question: “Can I be added to your newsletter list?”. You must have to enroll or re-enroll in 4-H Online to be on the mailing list. This is where I pull my lists from. Before sending out large emails, I update this list.

Check your SPAM folder if you have enrolled in 4-H Online but have not seen an email lately. I switched email systems to avoid this issue, but I need your help. This will help keep you connected and informed!

Learn the Language

4-H uses terms that may be unfamiliar or used differently than what you've experienced in other places. Some of those words are explained here, but there may be some more terms you hear that aren't listed. Don't be afraid to ask your club leader if you're not sure what something means. The number next to each **bolded** word corresponds to the answer in the crossword puzzle on the opposite page.

4-H words you might hear in your **Club**

A 4-H **club**¹¹ is made up of youth **members**³ and caring adult volunteers who meet regularly. Clubs typically conduct business, serve the community, and have fun! Clubs can also be school-based, afterschool or have a project area focus. A **Cloverbud**¹¹ is a 4-H member in grades K-2. All clubs have at least one adult club **leader**¹⁰ who works with youth leaders to guide the group. 4-H clubs often do **community service**² projects to make a difference in their community. Some clubs also have their members track project progress throughout the year (and their 4-H career) through a **record book**¹. Clubs may also encourage members to give a **demonstration**⁶, where they teach a project-based skill to other members.

4-H words you might hear across your **County**

County 4-H programs offer opportunities for youth such as project days, camps, and more. For many 4-H members, one of the highlights of the year is showcasing their hard work at a local **fair**¹⁷. At the fair, members enter their project as an **exhibit**⁸. Many counties also have a **Leaders Organization**¹⁶ made up of adult volunteers and youth leaders. This group provides education, raises funds, and promotes 4-H throughout the county. The organization is usually known as a Leaders Federation, Leaders Association, or Leaders Council.

4-H words you might hear across **Wisconsin**

In 1914, the Smith-Lever Act established a partnership between the USDA and land-grant institutions. In 1890, it expanded to include historically black colleges and universities, and in 1994 added tribal colleges. This partnership is known as Cooperative **Extension**⁷. In Wisconsin, Extension is a division of UW-Madison and is home to the Wisconsin 4-H program. UW-Madison employs a county **4-H educator**⁴ who leads and coordinates the county's 4-H program. Wisconsin 4-H uses the web platform, **4-H Online**,⁹ to keep in touch with 4-H members. On this website, members can also enroll in an **educational experience**,¹⁹ which is an educational travel opportunity organized by the state 4-H office.

4-H words you might hear across the **country**

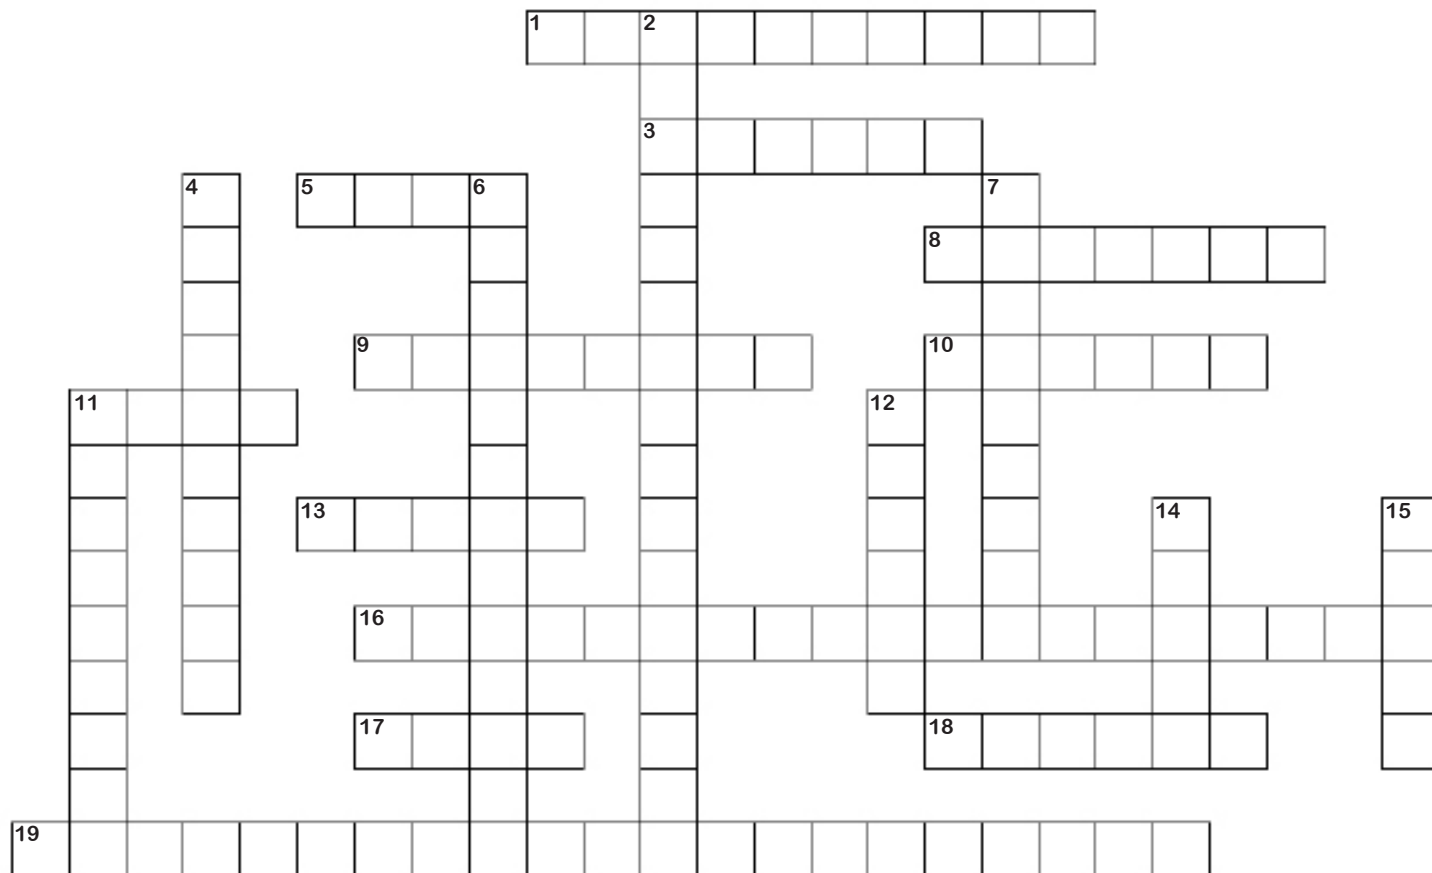

The 4 H's are **Head**⁵, **Heart**¹⁴, **Hands**¹⁵, and **Health**¹⁸. These are all part of the 4-H **Pledge**,¹² which is usually recited at the beginning of meetings. The 4-H **Motto**¹³, adopted nationally, is "To Make the Best Better."
